ABSTRACT

In this directory, the International Federation for Documentation (FID) provides names and addresses of its administrative and committee officers, and of its member and affiliated organizations, both international and national. Those international organizations with which FID is associated are also noted, and the relationship indicated: consultation, affiliation, or membership. Names and addresses are listed alphabetically by country for national members. (KP)

* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
